

THE GOOD CITIZEN

FAMILY TIME
CAPSULE RATECARD
2023 / 24

Our Promise

As we move on to the next phase of life, we look beyond the thrill of weddings and onto the reality of families, starting one and the journey of children (or fur-children) in our lives.

Whether it's your maternity, your baby's milestones and their growing moments, or even celebrating your 40th, or mum's 70th!

They don't have to be a fleeting memory.

We promise to keep it simple here!

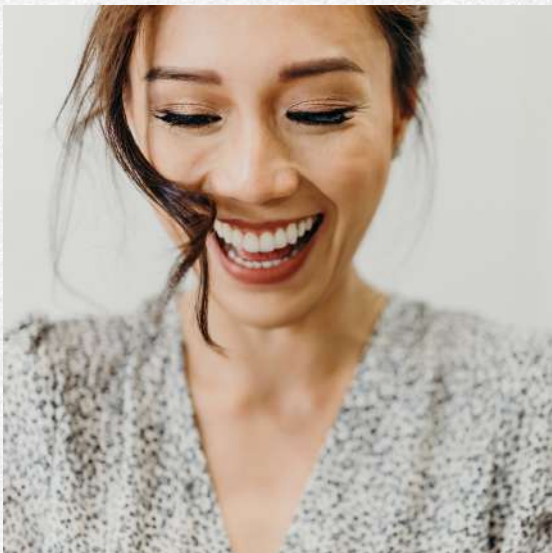

MEET THE GOOD CITIZENS

TIMO

The OG Good Citizen, Timo is the founder and principal photographer at the brand. Having shot images for half his life, and weddings for a large fraction of that, speed and quality is the guarantee he brings to the table.

When not out shooting or sitting at the table blitz-editing your images back to you in record time, you can find Timo out honing his green fingers, pruning his plants in his indoor garden.

STEPH

Stephanie recently joined the cool gang as an associate. Once upon a time, she took Photography in UCLA but never took the leap of faith to jump into photography as a profession. But here we are today.

Besides photography, Stephanie is truly a good citizen as she is also involved in many nonprofit organizations and is a proud wife, mum to one (so far) and pawrent to two.

REVIEWS

We weren't sure if it was going to rain (spoiler: it did!), but Tim was super flexible and accomodating . He showed up, dealt with my monkey children, changed venue when it started raining, was fun to talk to - even our dog loved him!

Even more amazingly, he sent us the photos on the same day (who does that? spoilt market!) and made me look pretty (no makeup, shorts and tank top because #mumlyfe).

Lynn

We had an amazing time with Steph who took photos of my family and friends. We had our 11 month old son and 9 month old niece in the session and she was so patient with the babies. She took such lovely photos and captured the most priceless moments. Super easygoing no fuss and everyone involved was so comfortable with her.. We would recommend her in a heartbeat!!
